BIFOCAL WEARERS!

Why be handicapped with that aggravating "middle distance blur" that most people experience with bifocals? If you have difficulty in reading merchandise labels in stores, in distinguishing book titles in the library, in seeing all the playing cards on the table, etc., you'll marvel at the "new sight" that **CONTINUOUS VISION LENSES** will bring you! These are the modern glasses that assure clear vision at ALL distances—without head bobbing and neck craning. Let us demonstrate—without obligation—why you will feel better and work better when you change to **CONTINUOUS VISION LENSES**. Not expensive; easy terms. Come in soon!

Play Group To Cast New Show

Interested readers of the Torrance Press have been extended an invitation to read for parts in "A Streetcar Named Desire." Vince Sonsini, director of the Pacific Theatre, has called the try-outs for 8:30 p.m. tonight at the Jerry Singer Theatre, 8936 South Western avenue.

Pacific Theatre is a group of drama enthusiasts of amateur and professional status drawn principally from the Southwest Los Angeles area. They will premiere "A Streetcar Named Desire" by Tennessee Williams on October 24th.

According to Sonsini, no parts have been cast thus giving everyone an equal chance.
